

COVID-19 Info:

Our coaching staff are staying within 6 ft of their clients. They are not bringing them in for a close talk at any time and do their best to keep all players at a safe distance from one another. Masks are highly recommended although they are not required outside of the pro-shop and on the tennis courts. We ask parents to make sure the kids bring their own tennis racquets, water bottles, and all other necessary equipment to class.
