

## COVID-19 Info:

Our coaching staff are maintaining 6ft distance from their clients. They do their best to keep all players at a safe distance from one another. Masks are required in indoor spaces (pro-shop and restrooms) but not on court. We ask parents to make sure players bring their own tennis racquets, water bottles, and all other necessary equipment to class.

## Junior Tennis Program May 1 - June 11, 2021

### • Red Ball (Ages 4-6)

This program inspires very young children to experience tennis in a happy and positive environment. Players learn the basics with partner-based activities, developing hand/eye coordination, motor skills and ball control.

### • Orange/Green Ball (Ages 7-10)

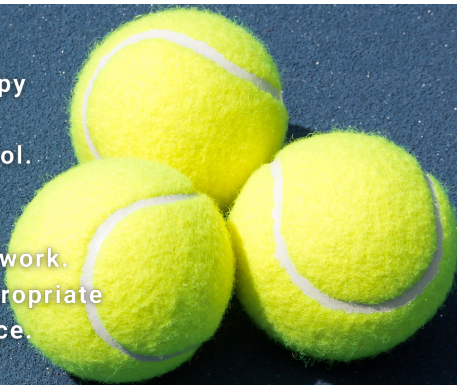

Children refine strokes and consistency, and work on balance and footwork. Singles and doubles competition and strategy are introduced. Age-appropriate equipment and instruction ensure a positive and fun learning experience.

### • Yellow Ball (Ages 11-16)

Our Yellow Ball class is for new and returning junior tennis players. Participants will learn stroke technique fundamentals including serve and return, basic rally skills and improve their consistency, level of play, shot selection and footwork.

### • Tournament Training (Ages 10-16)

This class is designed to prepare junior players with some competitive experience for match play. Players will improve their technique across all strokes, footwork patterns, learn more advanced strategies and compete with themed point play regularly.

Prices are per session for **once a week**, (R) pricing reflects Coronado Resident discount

\* No class on Memorial Day 5/31

		<b>Mondays</b> 5 classes*	<b>Tuesdays</b> 6 classes	<b>Wednesdays</b> 6 classes	<b>Thursdays</b> 6 classes	<b>Fridays</b> 6 classes

### Make up policy:

Classes missed due to weather and/or personal reasons **MUST** be made up within the **SAME** session.

Make-up classes must be scheduled **at LEAST (1)** day prior to attending to ensure that there is space available in the class.

To maintain proper Coach to student ratios we ask parents to sign up for classes in advance.
