"WHERE PLAYERS WIN"

#4 HP Unlimited

48 players are accepted for quality purposes. First come first serve basis, followed by a waiting list. "Unlimited" registrants have priority. We recommend to attend an average of 3 times a week or more. Members \$800 and non-members \$850/month. Drop in and try out rate is \$70/class. Mon - Fri 5-7:30 pm, and Saturday 10:30 am - 1 pm.

#3 HP Unlimited +

As players progress they will need to put in more hours of training. This is the "**off campus PE**" program that allows for another 1.5+ hours of training daily in addition to regular HP class. Mon - Fri 7-8:30 am, or 3:30-5 pm in addition to regular HP class. That is another 5+ hours a week of training. We require players to attend 3 times a week and be registered in HP Unlimited. Anything less than 3 a week will not show the desired results that we, the players, and the parents wish for! Members \$320, non-members \$370/month.

#2 HP Full-Time

Next level in the progression chart is going full time. Basic home school program offers two sessions a day. This is the program lot of the local clubs offer - just for comparison purposes. \$1,400/month

#1 Professional

This is our signature program developing professional players with two options based on goals and budgets. We are proud to be the only academy in Texas offering this unique opportunity.
